

- Tote should be no larger than 18 gallon (see specifications above)
- Weight of tote should not exceed 15 pounds
- All totes must have a lid that is secure as we stack totes in our warehouse
- Write your name and account number on both the lid and the base of the tote

- Clothing should be folded neatly (sets folded together)
- Shoes should be clean before being placed in tote
- Home decor, housewares, etc should be clean and wrapped (if breakable) before being placed in tote
- Book and movies can be placed in totes but please watch the weight limit. These are stacked 4 high in our warehouse and if packed too heavy poses a danger to our staff.

Off season items may be stored in our warehouse. If bringing in off season items please let the staff know at time of drop off. You will get your totes back when items are processed.
